### STANDARDS CERTIFICATION

Please complete this form in order to receive state and federal funding for library services. Each year the library must certify its compliance with **MINIMUM STANDARDS FOR RHODE ISLAND PUBLIC LIBRARIES**.

**Note:** \*\*For each municipality with more than one public library applying for grant-in-aid funds, a separate form to certify compliance with standards 1, 15, and 16 must be completed and submitted jointly, and must be signed by the respective library directors and chairpersons of the library boards. These libraries should note this separate filing in the boxes below for these standards by indicating "combined" in the appropriate box.
